## Pro Price List

MUD Products are tested by industry experts in challenging, real-world situations - from the harsh conditions of a remote film location to the bright lights of Broadway - to ensure we meet professional standards.

Through this unmitigated process, we continue to perfect each product until we achieve consistent exceptional results. Only then does a product receive our "MUD-Certified" stamp of approval. From our award-winning mascara to our creamy foundations - and from our luxurious lipsticks to our silky eye shadows - each of our distinctive products performs as it's meant to: precisely and beautifully. It's all about performance.
